

HARTEST & DISTRICT GARDENING CLUB REPORT

The Gardening Club remains a very popular activity in the village. Our monthly attendance has dropped slightly, but still averages about 30 each meeting, reflecting the excellent speakers that are arranged. If you haven't been along, come and give us a try. The Programme for the year is on the noticeboard in the entrance lobby here, and is also available on both the village and the club websites.

The Annual Show was again a great day. The schedule for this year's event, on September 9th, will be available at the club meeting in May, at the Plant Sale, and on the club website – accessible from the Hartest village site. So you can plan ahead.

Our sales of seed potatoes and seeds at heavily discounted prices continue to be popular.

The Plant Sale this year will be held on Sunday May 7th. It has been moved to the Sunday to try to beat the opposition of other plant sales, so please come along and support your local one. 2 o'clock, here at the Institute.
