

## **HARTEST PARISH COUNCIL**

### **PARISH MEETINGS**

As you will see from the adjacent, published agenda, this meeting will be conducted using approved Zoom conferencing software.

In view of this being our first 'virtual' meeting, it is planned to restrict participation to the Parish, District and County Councillors. If successful and, if still required under the COVID 19 constraints, our next such 'virtual' meeting will be widened to invite interested members of the public.

Many thanks for your forbearance during these 'trying' times.

P M Lamb (Mrs)  
Parish Clerk
